Dear Mr. Welsh:

Re: Termination of Current Operator and Transfer of Notice, B & J Placer Mine,
S/015/041, Emery County, Utah

The Division received your letter dated October 21, 1991, regarding the termination of the mining agreement between Lanny Jensen (operator) and John Welsh (owner). You indicated in your letter that another operator will be replacing Mr. Jensen. The Division will need to have a transfer agreement signed by both parties to officially remove further reclamation responsibilities from Mr. Jensen. Please find enclosed, a copy of the transfer notice.

If you are unable to find another operator at this time, you may want to transfer the responsibility of operator to yourself, for the time being.

Thank you for acting as the responsible party for the maintenance of this site during the interim. The Division appreciates your efforts.

Sincerely,

Holland Shepherd
Senior Reclamation Specialist
